

Standard Signage for Treatment & Chemical Dosing Plants

DIESEL STORAGE (Fuel storage tanks less than 500L)

DIESEL FUEL SIGN (DS WCSS061-1)

This **Hazardous Fuel Sign** is in landscape format with white text on a Golden Tan (X53) background.

Material: Metal or Vinyl – 450 (W) x 300 (H) with the other dimensions as indicated.

- The **Diesel Fuel Sign** shall be posted on the side of the genset(s).
- The **Diesel Fuel Sign** shall be displayed at a level so that it is visible from the normal direction of approach.

Note: This sign is typically used for generator (gensets) fuel tanks that are less than 500L. If Diesel Fuel is stored in quantities greater than 500L then a **Combustible Liquid** placard (**DS WCSS023_1**) shall be posted instead.
