

**Referral cover sheet – Local Government planning proposals**

**Proposal Summary:**

LG name:  
Planning proposal type:  
Description of proposal  
LG application reference:  
DAP reference (if applicable):  
Date of referral:  
Date comments required by:

**Reason for referral to Water Corporation (tick if applicable)**

- Proposal abuts Water Corporation land holding
- Proposal is located on land with a Water Corporation easement or asset
- Proposal may affect Water Corporation assets (sewer/water/drainage main – within private property)
- Proposal is located within a wastewater pump station or wastewater treatment plant buffer (WC SLIP data)
- Proposal may affect Water Corporation assets (sewer/water/drainage main - within roads/PAWs)
- Proposal requires connection to water and/or sewer services which are currently **unavailable**
- Proposal is a DAP application, AND is one of the following land use types:
  - Mixed Use, Residential - Grouped Dwelling/Multiple Dwelling/Aged Care
  - Industrial, Service Station/Motor Vehicle Wash/Motor Vehicle Repairs
  - Showroom/Warehouse, Hospital
- Proposal involves intensification of land use that may affect capacity of water and sewer or involve large density increase above the prescribed density in the local planning scheme

Note: The Local Government should only refer the proposal to Water Corporation for comment if one (or more) of the above answers are ticked.
